To whom it may concern,

We strongly support the work and operations of Te Atatu Peninsula Community Trust.

Our organisation is Te Atatu Toy Library, which operates out of Te Atatu Bible Chapel every Tuesday and Friday throughout the year, including school holidays. We close only for 6 weeks over the Christmas period.

At any one time, we have 130-150 families on our membership roll and often have a waiting list. Over 300 children benefit from their time in the Chapel, playing and choosing toys to take home each fortnight. Our session times also allow opportunities for parents and caregivers in the community to come together to establish new friendships and to support one another.

The Bible Chapel also provides a place for us to store over 1000 toys, many of them large toys. Being right in the community makes this valuable service very accessible to the many community families that benefit from using the Toy Library.

Te Atatu Bible Chapel is vital to our organisation and has been very helpful in providing facilities that allow us to successfully offer the hireage of good quality toys to our community and a place for families to meet together.

Kind regards
